Request:

I request copies of all records concerning any white papers and/or memorandums on the implications to national security of a Donald Trump Administration created by individuals affiliated with and/or employed by the Central Intelligence Agency from Jan. 1, 2015 to the date that this Freedom of Information Act request is processed.

I prefer to receive the response to this request in electronic form. If the response to this request exceeds more than 15 megabytes, please contact me in order to arrange another form of delivery other than email.

Fee Waiver:

I am filing this FOIA request as a "representative of the news media"
since I am a reporter for Greenwire — one of Environment & Energy Publishing's five daily online publications. This designation entitles me to a waiver of fees accumulated during the actual search and review process.
Nevertheless, if your agency does determine that I should be charged for any part of this request, please contact me before estimated costs exceed $25.

This request is made as part of news-gathering activity and is not for commercial use.

The information responsive to this FOIA request will contribute to the public's understanding of your agency and the government at large. This information is not in the public domain but once your agency responds to these FOIA requests, it will be printed on our website, www.eenews.net, which has more than 40,000 unique visitors a day. We expect the information that is produced through this and other FOIA requests to serve as the basis for several articles that explain the government's actions and
